Transition Partnership Program / Workability Interest Survey

The Transition Partnership and Workability programs are in the process of creating job placement / employment opportunities within specific career fields for students, like you. Included in this program is the opportunity for you to try different careers and or jobs that you might be interested in while you are in school and/or after you complete school. All you need to do is complete the form below and select the career fields that you are most interested in learning about and/or working with. We will work to place you within an appropriate environment and professional from that field.

If you would like to take part in the Transition Partnership and/or Workability program please complete this interest survey with your information and what your plans are currently and after you finish high school. On the next page are a number of career fields to choose from. Please list the top 3 choices of careers that interest you.

Your Name and I.D. #: _____

Today's Date: _____ Grade: _____

If you are **not** interested in taking part in the TPP / Workability program check box and initial:

☐

Are you planning on going to college? Yes No If yes, where? _____

Do you want to work? Yes No

What career do you plan to have in the future? _____

Are you currently working? Yes No

If you are currently working please answer the following questions:

What type of work? _____

Where are you currently employed? _____

When did you start working? Month: _____ Year: _____

What is your current pay rate? _____ How many hours per week? _____

Please list your top 3 choices by putting numbers in the boxes next to the career:

Customer Service

Computer Technology

Animal Care

Hotel / Restaurant Management

Theater / Media / Entertainment

Public Service / Office / Clerical

Retail Services

Student Signature: _____ Date: _____

Parent or guardian signature: _____ Date: _____

Please note we will do our best to find your preference of placement, however **placing a number in the box does not guarantee a placement within that specific field.**
